Dear Friends,

Well what can I say! Let me begin by saying my time here has been the happiest in my 44 year ministry - we have had our ups and downs - more ups than downs I am pleased to say! I have been grateful for the love and friendship offered to me by you and your families over the last almost nineteen years, and I have been proud to be part of communities so generous and warm hearted. I have met some wonderful and talented people who have enriched my life, sadly not all of them are still with us. I will remember you all with love in the time ahead and take this opportunity to wish you and your families every joy and blessing in the coming years.

The parishes of Wallsend have a great history - and working together you can all ensure that you build upon that history to ensure that you have a great future. It goes without saying my very best wishes are extended to Fr David as he takes pastoral responsibility for St Aidan's and St Bernadette's at the beginning of October. Work alongside him and keep in mind who you are doing it for - not for Fr David - but to build on all of those great things that we have achieved to date - the growth of the parish community we love so much.

Do that and all will be well!

Peace be with you. Fr John
