Minsteracres:

New Website

Minsteracres Retreat Centre is thrilled to announce the launch of its new website, Minsteracres Retreat Centre – A Spiritual Place Providing Hospitality & Spiritual Wellbeing. Our focus was to make the website design easier for our audience to navigate, create a fresh outlook keeping you informed at all times, to capture and share the Centres ethos and make it easier for you to connect with us.

The site features a complete new layout and images to showcase the services we offer and provide to all visitors. You will acknowledge a new design, which is fresh, colourful and making it easier for our Friends of Minsteracres to navigate and enjoy.

Geoff Bockett, the Director of Minsteracres, *"I want to say how much I love the new website. The visual design is stunning, the new pages contain some great info and the site seems extremely user friendly."*

Minsteracres Retreat Centre is a Christian place of prayer with a resident community of Roman Catholic Passionist priests and lay people. We welcome people who share our values and we invite you to enjoy our hospitality, food and accommodation.
