#### Diocesan COVID Controls - COVID Update

Given the local prevailing conditions in the North East please note some additional controls recommended alongside those detailed by CBCEW. The Diocesan position on the most pertinent points is as follows: COVID symptoms - people displaying any symptoms of COVID should stay at home and not travel to church or participate in person.

Vaccinations – are the best way to control the spread of COVID. We can show that we care for each other by getting vaccinated and attending for the booster dose when it becomes available.

We are being encouraged to use the NHS QR codes when entering the church.
