Mini Bus Drivers

We are now down to three drivers for our parish minibus at St Columba's. This is due to drivers not being able to drive the minibus once they reach the age of 70. With commitments and holidays coming up it may be difficult to cover some of the weeks ahead, though the three remaining drivers will do their best.

There have been enquiries from St Aidan's parishioners who would also like to use the minibus. If there are any drivers at St Aidan's who would be prepared to drive the minibus we would then be able to offer the minibus service on a Sunday morning as well. We would be unable to extend this to the 11.30am Mass as there would not be enough time due to taking people home after the 10.00am Mass. If you are able to support our parishes by volunteering to drive the minibus please contact the parish office.

This is such a worthwhile service and it is much appreciated by the parishioners who benefit both socially and spiritually when they use the minibus to enable them to come to Mass each week. More drivers would reduce how often each driver would be called upon to drive. Thank you, Fr David.

Food Bank—Times are very different right now with all of us affected directly or indirectly by the cost of living increases. So many parishioners already donate a great deal to the Food Banks across our parishes. It should come

as no surprise that the Food Banks are struggling to help those who are in

desperate need. The shelves are running low and it's a constant worry as to how people can be supported. I wonder if all of us, who are in a position to do so, across the three parishes, could commit to bringing one or two items next Saturday and Sunday 25th and 26th June which could make a real difference. Collectively, a small food donation from each of us, could help so many people in need. Please leave your donations at the back of our three churches. Thank you, Fr David.

Papal Blessings

If you or a loved one are getting married in the RC church or are celebrating a special wedding anniversary and you would like papal blessing, please contact the parish office and we can send the request off to Rome for you. Once the blessing has arrived in the parish we can also arrange for your it to be framed. It can take a few weeks for the blessing to come through from Rome so the more time we have to process the order the better.
